

GADDIS CO. - AN ISLAND OF STABILITY IN A SEA OF TURBULENCE.

Being a little boring isn't always a bad thing.

There has been a lot of well publicized turmoil in the wholesale arena lately, with rumors of more to come. All the while, Gaddis Co. has been quietly and consistently focusing solely on our retail agents and their clients, under the same family ownership for the past 28 years.

We've kept our operations efficient and our overhead low, so that we can perform extraordinary service on even the smallest accounts without charging excessive fees.

We've built solid, long term relationships with our carriers based on mutual respect and trust, rather than clout, so that our submissions on your behalf are taken seriously, and processed quickly and fairly.

If you are tired of the drama and want a solid, stable, wholesaler with a single minded focus on your needs, let us be your refuge from the storm.

Stop by and visit us at the trade show, booth #4, and we'll try not to be *too* boring.
